## **Ades Design Builders sponsors Evergreen Freedom Run**

Evergreen, CO (July 2006) – Ades Design Builders, one of Colorado’s most respected and trusted custom homebuilders, is pleased to announce its sponsorship of the Evergreen Freedom Run. The company’s support of the recent event helped raise funds for Mt. Evans Hospice and Home Health Care, a non-profit organization delivering in-home medical care to mountain area residents.

“It was an honor and pleasure to be associated with the Freedom Run and help support the important efforts of Mt. Evans Hospice,” said Andy Ades, owner of Ades Design Builders, which is based in Evergreen. “It was a fun event for the Evergreen community and will go a long way in helping people in need throughout the area.”

### **About Ades Design Builders**

Ades Design Builders was founded in 1979 by Andy Ades. Since that time, the company has become one of the most respected design and homebuilding companies in Colorado, completing some of the state’s most admired homes in the front range, foothills and mountains. The company can be reached at 303-674-2280.

### **About Mt. Evans Hospice and Home Health Care**

Mt. Evans Hospice and Home Health Care delivers professional, compassionate in-home medical care to mountain-area residents who are recuperating from an injury, living with a chronic illness, or facing end-of-life issues. A highly trained, caring staff also helps family members by providing counseling services, support, and education. Mt. Evans Hospice and Home Health Care is a private, nonprofit organization with a volunteer board of directors comprised of community leaders. Contributions are tax-deductible as allowed by the IRS
